## Time to Breakfast - May 2011

### Dubbo Chamber of Commerce members and their guests are invited to May's Time to Breakfast with Suzanne Colbert, CEO Australian Network on Disability.

Our community is changing. There are an increasing number older people and more people with disability. Leading businesses know how to adapt their services to welcome people with disability as customers and indeed many businesses are welcoming people with disability as employees. Employees with disability have been found to be reliable, productive and valuable employees. This event will provide you with the opportunity to hear more about how Australian businesses are building their 'disability confidence'.

Suzanne has been at the leading edge of building employment opportunities for people with disability for almost 20 years. For the last 10 years Suzanne has been committed to increasing the 'disability confidence' of Australian businesses, and on Australia Day 2010 was rewarded for her efforts by being honoured as a Member of the Order of Australia.

The Australian Network on Disability (AND) is a not for profit organisation taking a leadership role in advancing the equitable inclusion of people with disability in all aspects of business. There highly skilled disability consultants assist our members to understand the business benefits of employing people with disability, and welcoming customers with disability.
